7.45pm for 8.00pm until 10.00pm

Horsham Photographic Society has secured an online speaker, Steve Best, and we would like to share this Zoom talk with you

Steve is a wonderfully creative photographer. Whatever his subject he has an astonishing ability to take images with sensitivity, realism and joy.

He has taken head shots and live action shots for many comedians and authors for their PR, brochures, live shows and books, including David Baddiel, Tim Key, Alan Davies and Mark Billingham.

He has toured his fine art exhibition, *Clicking Comedians*, all over the UK following a month at the prestigious Stills Gallery, Edinburgh during the Edinburgh Fringe Festival. The exhibition then went back to the Edinburgh Festival to the Pleasance.

He is currently working on his third book, *Comedians Back to Front* with the fabulous designer Herman Lelie. Three of Steve's photographs were chosen for the Saatchi Gallery on screen and one of his photographs was short-listed for the RA Summer exhibition 2020.

Steve gives his time and expertise as the photographer for the charity Downright Excellent. He has also taken photographs for many celebrities and actors and has photographed numerous weddings, private functions and parties as well as many corporate functions.

The cost of this presentation is £3.
